

SAMUEL SPIERS

50 Marlborough Road, Sheffield S10 1DB (Term time)

17 Batley Road, London N16 7NP (Holiday time) | sammyspiers@yahoo.co.uk | 07554 423391 | 22 years old

PROFILE | I am currently in my 3rd year of a bachelor degree in Computer Science and Mathematics seeking part time employment. I have worked in various different environments. I am an independent and enthusiastic individual who is very capable in any situation. Whatever task I am given, I am determined and dedicated to complete it. When I work as part of a team, I bring energy, new ideas and am a role model to other team members. I'm a friendly sociable person who is very approachable.

SKILLS & ABILITIES |

- Varied job experience has given me a strong ability to adapt
- Good communication skills, both written and verbal.
- I speak English and Spanish, and can translate between the two.
- I have excellent numeracy skills.
- Ability in dealing with the public from working in customer-facing roles

EXPERIENCE | **MENTOR CODE CREATORS SHEFFIELD**
OCTOBER 2019 –

I volunteer as part of CodeCreatorsSheffield teaching programming to beginners. I have become a strong communicator and been able to manifest my patience.

BARTENDER HARRIS AND PORTER RECRUITMENT
SUMMER 2019

I worked at various festivals as a bartender, enhancing my customer service skills. I was part of a large team in a fast paced environment and had to deal with a high number of customers.

JAVA DEVELOPER PLACEMENT YEAR BOOHOO
JUNE 2018 – JUNE 2019

This placement was the year in industry as part of my degree. It taught me how to conduct myself in a professional environment. It also allowed me to form work relationships outside my peer groups. I developed and maintained a various web applications that deal with the communication of internal systems using APIs and SFTP servers.

SOFTWARE ENGINEER INTERN ARETÉ
JULY 2017

Areté is a software company in Mexico City, which specializes in the development of applications that aid logistic companies. By optimization they can calculate the quickest and most cost effective routes. I was there as an intern over the summer and given the job to develop an Amazon Alexa Skill that drivers could use to ask questions such as "How long till the next destination?".

IT INTERN AMNESTY INTERNATIONAL
2 WEEKS IN JULY 2015

Being an intern in the IT department at Amnesty International involved the set up of large-scale video conference calls. I found it particularly interesting how we solved the difficulties surrounding this, by the use of specialized software.

RECREATION ASSISTANT GLL
DECEMBER 2014 – SEPTEMBER 2016

Lifeguard at Clissold Leisure Centre in Hackney, London. My responsibilities included patrolling the swimming pool, keeping customers safe, setting up equipment, keeping the environment clean; answering customer questions and attending monthly training.
